Attention: Mr Matthew Aldous

Dear Sir,

Danmor Consulting Engineers Pty Limited, being Consulting Engineers and Chartered Members of the Institution of Engineers Australia hereby certify that the proposed stormwater design undertaken by Danmor Consulting Engineers at the above stated address, is in accordance with local councils stormwater DCP, AS3500 and/or accepted engineering principles.

This certificate shall not be misconstrued as relieving the building contractors of their contractual responsibilities.

Should you need anything further, or require any matters elaborated on, please contact the undersigned.

Yours faithfully,

For Danmor Consulting Engineers
