## PRE LODGEMENT/URBAN DESIGN REVIEW PANEL

Have you attended a Prelodgement/UDRP meeting regarding this application?      Yes      No

Reference No.

.....• This is required to be completed for the Australian Bureau of Statistics.

.....• If the development is Integrated and requires approval under another Act, please nominate which approvals are required.

.....• If you answered 'yes' to this question, you are required to include a written summary within your submission about how the advice has been incorporated into your design. This may be included in your statement of environmental effects.

## LODGEMENT

Electronic lodgement removes the need for multiple hard copies of plans and documents, and helps us assess your application more efficiently. You need to provide:

- **1 complete set of all plans and documentation in hard copy format** (see rules below), and
- **1 complete set of all plans and documentation in electronic format** (see rules below), on a CD or USB.
- **Applications that require neighbour notification are to supply 6 hard copy A4 notification plans** (see rules below).

Upon release of the determination, we will send all documentation and plans in an electronic format to the email address you provided in your application.

If you require hard copy documents and plans with your determination, a printing and postage fee will apply. We will contact you prior to release of the determination to confirm the fee (see applicant's declaration on page 6 to nominate this option).

### RULES FOR ELECTRONIC COPIES

All DAs should be accompanied by an electronic copy of all plans and supporting documents. Where an electronic copy is not provided, a scanning fee will apply. Any CD/USB provided becomes Council's property.

#### Electronic documents must be:

- ✓ virus free
- ✓ submitted in PDF format
- ✓ Electronic modelling data, eg. MUSIC files and flood models must be submitted in their true file type (eg. sqz) and

#### Electronic documents must not be:

- ✗ protected by security settings or passwords, or
- ✗ stored within folder structures

#### Electronic plans

All different plan and report types require individual PDF files. For example building work or architectural plans (eg site, plan, floor plan, sections and elevations) are to be in one file and named as architectural plans. Other plan types are also to be in one file and individually named for example stormwater plans or engineering plans

Reports or assessments are also to be saved and named separately. For example the statement of environmental effects, traffic, contamination or geotechnical report.

File names must include the name of the file/document first, followed by the address of the property.

### RULES FOR HARD COPIES

- ✓ All DAs should be accompanied by an electronic copy of all plans and supporting documents (see above)
- ✓ all plans are folded to A4 size
- ✓ only originals of subdivision certificates are rolled
- ✓ notification plans:
  - are A4 size
  - are kept separate from other plans, and
  - do not include any floor plans that affect your right to privacy

### MAJOR APPLICATIONS

- Additional CDs /USBs will be required for major and integrated developments
- An appointment is required to lodge an advertised or integrated development (please contact Council on the below number to make an appointment)
- Certain applications may require the submission of additional information not listed in the guide

**Please contact the Development and Environmental Health team on 4732 7991 to confirm documentation required.**
