By signing the above, I/we acknowledge that this external colour schedule is final. No changes will be permitted unless required by the developer and/or council. Changes outside of this will incur an administration fee. Colour images are an indication only and may not be a true representation of the final product. Dark colour external doors are not recommended as exposure to sunlight may cause them to bow. Due to batch variations, colours, stained finishes & appearances of construction materials may vary from samples shown, and from those contained within display homes & brochures.
