Agent Reece Prestons, 380 Hoxton Park Rd Prestons
Applicant first style homes, po box po box 171 hoxton park 2171
Property/Asset 78 William Hart Cres, Penrith 2750 (Sk Nandam) PNum: 5570890
Product Building Plan Approval Application

Charge	Product Cost	GST	Total
Building Plan Approval Application	\$17.50	\$0.00	\$17.50

REFERRAL FOR BUILDING PLAN APPROVALS

Quick Check Agent

The Quick Check Agent has lodged your application with Sydney Water and determined that your proposed building/structure may potentially impact on Sydney Water's infrastructure.

The Quick Check Agent has advised you to contact a Water Servicing Coordinator for approval of your proposed building/structure. The Water Servicing Coordinator acts as your contact in dealing with Sydney Water.

Water Servicing Coordinator

Some of the activities required prior to approving your plan may include;

- Reviewing your proposed building/structure plans and discussing options.
- Advise if a Service Protection Report (also known as a Pegout) is required.
- Advise if structural engineering detail is required.
- Arrange supervision of concrete encasement and piercing.
- Specify asset protection requirements and/or alternative options.

Water Servicing Coordinators are located across Sydney, Illawarra and the Blue Mountains. Sydney Water recommends that you contact several Water Servicing Coordinators to ensure you choose the one that is most appropriate for you.

To assist in your selection, Sydney Water recommends you ask each Water Servicing Coordinator the following type of questions:

1. How long will it take to obtain the Building Plan Approval?
2. How much do you charge for a Building Plan Approval?
3. If I require a Service Protection Report (pegout), how much will it cost?
4. Are there any other charges that I may have to pay?

For more information and a list of Water Servicing Coordinators, visit the Building, Developing and Plumbing section of Sydney Water's website at www.sydneywater.com.au. Alternatively you may obtain a list from the Sydney Water call centre on Tel: 13 20 92.

Property Special Conditions for Plumbers

Boundary Trap Required	No
Watercharged/Tidal area	Unknown
Partial Drainage area	No
Aggressive Soil area	No
Cast Iron Pipe area	No
Sewer Surcharge area	Unknown
Minimum Gully Height area	Unknown
Sewer Available	Unknown
Connection Type	Gravity

You must contact Sydney Water to clarify the property special conditions where the property special conditions are not shown (yes or no), are shown as "unset", "unknown" or "not available" or if the proposed development is being built over more than one existing property.

Please note that boundary traps must be fitted for all commercial and industrial properties and you must ensure that all plumbing/drainage and building works are carried out in accordance with the relevant codes and standards.

A water meter is required to be fitted to the property during construction. You will need to ensure that your licensed plumber carries out this work in accordance to the relevant codes and standards.
