

## Changes to external of building requested for

### approval:

1. Signage to facia/front of building same
2. Company details will be different but in similar to same place
3. The window display is smaller as there is one window panel missing on the far left and 1 far right window.
4. The stickers to the windows will be the same
5. Front entry will be the same with a display TV on the right side
6. We would like to purpose to paint the exterior of the building in a sandstone colour but this is not imperative.
7. The rotating lights on the current building will be removed
8. The light box which has the original hanging supports shown in top picture on left side of awning to be replaced with same and bottom picture.

### Changes internal:

1. Tiled floor for the first 7 Meters (approx) from front entry
2. Carpet flooring for the remainder of the office excluding kitchen and bathroom
3. 2 x 5.5ft Walls approx 2.2 meters long

Please see diagram for remaining information.
