

Janlin Circuses P/L

Trading as Stardust Circus

Waste Management Plan 2017

Persons in charge Mr Lindsay Lennon Circus manager 0418
238 881

 Mr Glenn West Co-Manager 0418
295 756

- 1 Our Advance agent will arrive in St Marys approximately 2 weeks before the circus and shall consult with a Waste Removal Contractor to supply adequate bins for
 Ordinary waste and separate bins for recycling
- 2 We shall have a separate 3m bin for animal waste which is cleared daily from animal enclosures and night quarters
- 3 We shall position at front of the Foyer tent as well as inside the main tent
- 4 The large bins will be emptied on a regular basis so as not to have an overflow of
 bins
- 5 Our ringmaster makes an announcement before and at the end of each show to the patrons to place their rubbish in the bins provided
