## Payer details

The Environmental Planning and Assessment Regulation 2000 and council's adopted fees and charges establish how to calculate the fee payable for your development application. For development that involves building or other works, the fee for your application is based on the estimated cost of the development. If your application is for integrated development or requires concurrence from a state agency, additional fees will be required. Other charges may be payable based on the council's adopted fees and charges. If your development needs to be advertised, the council may charge additional advertising fees.

Once this application form is completed, it and the supporting documents will be submitted to the council for lodgement, at which time the fees will be calculated. The council will contact you to obtain payment. Note that the application may be rejected if the fees are not paid.

Fee payment will be made by:
