

**NOTES:**

- Levels based on PM 12644 RL 42.155 AHD
- The position of features are indicative only.
- Services shown hereon have been located where possible by field survey. Prior to any excavation or construction on the site, the relevant authority should be contacted for possible location of any other services including those which may be underground.
- 40.50 indicates natural surface level.
- Contours shown depict the general topography. They do not represent exact levels other than at spot levels shown.
- Relationship of improvements to boundaries is diagrammatic only. Where offsets are critical they should be confirmed by further survey.
- Bearings and distances are by title only. No boundary investigation has been carried out.
- The shapes, sizes, position, heights and species of trees are approximate only. Further field inspection should be carried out where tree details are considered to critically affect design.
