The matrix identifies the minimum information (plans and supporting documents) required for the most common types of developments.

- ✓ Indicates this information must be provided.
- Indicates this additional information must be provided if applying for a Construction Certificate or Complying Development Certificate.
- Indicates this information may also be required (refer to the relevant policies or contact Council for further details before lodging your application).

### Requirements for submission of applications, plans and documentation.

- A minimum of 6 complete sets of all plans and documentation.
- Please fold all plans to A4 size. Rolled plans will not be accepted (originals of subdivision certificates may be rolled).
- Notification plans are to be A4 size and are to be kept separate from other plans.
- Notification plans should not include any floor plans that may affect your right to privacy
- An electronic copy is also to be provided in PDF format. One file is to be submitted
  for each document or plan. File names are to include; document name, plan type,
  description, and number (including version and date). Exemptions from this requirement
  may apply to proposals of a minor nature. Digital files must be virus free.

(Where applications for minor development do not provide an electronic copy a scanning fee may apply.)

NB Additional types or copies of plans/documents may be required for major developments. Please contact the Development Services Department on 4732 7991 to confirm documentation required.

Applications for major developments: (including advertised and integrated development). An appointment is required for lodgement of these applications. Please contact the Development Services Duty Planner on 4732 7991 to arrange an appointment for the lodging of your application.
