**CONNECTION OFFER – BASIC CONNECTION SERVICE**

Dear Sir/Madam

**UCL10322 – LOT 2, DP 827455, 57 MULGOA ROAD, PENRITH**

Thank you for your application providing information for the proposed connection of additional load at the above location.

The attached Permission to Connect letter gives approval for the connection of a total approved load of **600 amps per phase** to Endeavour Energy's low voltage network, in accordance with the Terms and Conditions of the published Model Standing Offer for a LV Basic Connection Service.

This Permission to Connect is effective from **22 January 2020** and is valid for a period of twelve months.

You or your electrician will need to contact a Level 2 Accredited Service Provider (ASP) if service work is required.

A list of Level 2 ASPs is available at the Energy NSW website:

<https://energysaver.nsw.gov.au/households/you-and-energy-providers/installing-or-altering-your-electricity-service> or can be obtained via phone (02) 8275 1960.

If service work is undertaken by an ASP, they must submit Notification of Service Works (NOSW) and the Certificate of Compliance for Electrical Works (CCEW) within 2 days. An audit fee is applicable as detailed in the Network Price List. This fee will be charged to your ASP in accordance with the terms and conditions relevant to the connection offer.

Please contact your retailer to arrange for the installation of metering and establish an appropriate electricity tariff.

Please note that this letter does not allow release of plans from the Constituent Council or from your Private Certifier.

Endeavour Energy will pass the basic connection offer fee as detailed in our Price List to your retailer who may invoice you directly.

Should you have any enquiries regarding your application, please contact the undersigned.

Yours faithfully,
