

Please find attached a plan of the site map where parking will be available.

As the Carnival is open daily from 12pm – 9pm we envisage the Car Parking to be spread out across the day and visitors to the Carnival will either use the Shopping Centre Car Parking across the road which has ample parking facilities or visitors will use local street parking . (See plan)

The maximum number of parked vehicles we estimate is 40 vehicles at any one time.

With regards to traffic conditions, due to the size and times of the Carnival, along with the number of visitors we are expecting at any one time, there will not be an impact on local traffic.
