PROJECT: Marie Stopes International
LOCATION: 33 Santley Crescent Kingswood NSW
DETAIL: Modification (\$96) DA No. 47/87

Marie Stopes International currently occupy 33 Santley Crescent Kingwood. The whole site is classified as a Class 6 Medical centre as per DA approval 47/87.

Marie Stopes International would like to change the classification to a Class 9a Health Care Facility as they are in the process of applying for private licencing with the NSW Health Department which would enable them to provide their clients with more options in regards to being able to use private health insurance as well as provide a higher level of anaesthesia in line with client expectations and the current health standards for the procedures being completed.
