

APPROVAL TO OPERATE A SYSTEM OF SEWAGE MANAGEMENT
LOCAL GOVERNMENT (GENERAL) REGULATION 2005

Approval has been granted to: Clifford Jon Bentley
Hyang Ryeon Park

For the operation of the Sewage Management System installed at: Lot 60 DP 241749
160-169 Park River Close MULGOA NSW 2745

System Type: Aerated Wastewater Treatment System

Approval Issue Date: 7 May 2012

Expiry Date of this Approval: 7 May 2017

THIS APPROVAL IS SUBJECT TO THE FOLLOWING CONDITIONS:

ADVISORY CONDITIONS

1. This approval extends to concurrent owners and occupiers of the premises where the system is installed.
2. The owner must provide a copy of this approval to all current tenants and/or occupiers of the property that the approval relates too.
3. It is a condition of Approval that the Council may carry out inspections in accordance with section 191 to 194 of the Local Government Act 1993, of any premises, facilities or records related to the operation of a sewage management facility which is the subject of this approval in order to assess compliance with this approval.

OPERATIONAL CONDITIONS

4. The system must be operated so as to allow the removal of any treated sewage or by-product of sewage in a safe and sanitary manner.
5. The system must be maintained in a sanitary condition and be operated in accordance with the relevant requirements of clause 44 of the Local Government (General) Regulation 2005 and guidelines made thereunder.
6. The sewage management system must be properly maintained in accordance with clause 45 of the Local Government (General) Regulation 2005.
7. The system must be operated and maintained in accordance with the relevant operating specifications and procedures for the component facilities, so as to allow disposal of treated sewage in a safe and sanitary manner.
8. A sewage management facility must be operated in a manner which must not discharge into any watercourse or onto land other than its related effluent designated disposal area.
