Quote : Kitchen

Supply and install new LPG gas cylinder along side fence where discussed. Run new copper pipe work underground up wall along and over to new instantaneous LPG hot water system up on wall where we discussed, on wall behind kitchen sink. Gas line will be run under building and penetrated through concrete slab where 4 gas cookers will be connected. Supply and install new grease arrestor. Drainage point will be moved for new kitchen sink and a floor waste will be installed. A drainage point and cold water tap will be installed for wash down and filling up purposes of the bain-marie. This also includes the installation of gas cookers and fit out of kitchen sink.

This quote is valid for 30 days any questions contact Todd on 0410 839 740.

Total: \$12,887.75c inc GST
