

Dear Elizabeth Jadrijevic,

Thank you for your request for the **nbn**TM infrastructure installation at:
Latitude and Longitude coordinates: **-33.746688, 150.699053**.

We are pleased to confirm that this development is within our existing fixed line footprint and to that extent, qualifies to receive **nbn**TM infrastructure.

Please note that in accordance with the new [Telecommunications Infrastructure in New Developments Policy](#) all applications received by **nbn** on or after 1 March 2015 are subject to the New Policy. In accordance with the [Small Development Terms and Conditions](#) which you have accepted at the time of submitting your application, the following charges will apply:

Dwelling Type	In Estate Charge (includes GST)
Single Dwelling Unit (SDU)	\$600 per premises
Multi Dwelling Unit (MDU)	\$400 per premises

If you need verification that you have requested **nbn**TM infrastructure to support your council application please use this letter.

Thank you and regards,
nbn - New Developments Team
