

MAJOR ASSESSMENT REPORT

Application number:	DA18/0884	
Proposed development:	Illuminated Advertising Sign associated with 7-Eleven Store	
Property address:	4 Endeavour Avenue, ST CLAIR NSW 2759	
Property description:	Lot 1 DP 1018519	
Date received:	4 September 2018	
Assessing officer	Jacqueline Klincke	
Zoning:	Zone B2 Local Centre - LEP 2010	
Class of building:	Class 10b	
Recommendations:	Approve	

Executive Summary

Council is in receipt of a development application for the replacement of an existing sign through the installation of 1 x digital display sign (LCD screen) at 4 Endeavour Avenue, St Clair.

Under the Penrith Local Environmental Plan 2010, the subject site is zoned B2 Local Centre and signage is a prohibited land use in this zone. However, the sign is proposed in association with an existing service station which is a permissible land use in the B2 zone.

An assessment under Section 4.15 (formerly Section 79C) of the *Environmental Planning and Assessment Act* 1979 has been undertaken and the application is recommended for approval, subject to the recommended conditions.

Site & Surrounds

The subject site is identified as Lot 1 in DP 1018519ans is located on the southern side of Endeavour Avenue at 4 Endeavour Avenue, St Clair.

The site is characterised by a commercial premises and parking facilities, and is currently occupied by a 7-Eleven service station.

The surrounding land uses include a neighbourhood shopping centre, with public open space to the north.

Proposal

The proposed development includes the:

- removal of 1 x existing wall mounted advertisement board
- installation of 1 x LCD screen advertisement board

Plans that apply

- Local Environmental Plan 2010 (Amendment 4)
- Development Control Plan 2014
- State Environmental Planning Policy No 64—Advertising and Signage
- Sydney Regional Environmental Plan No.20 Hawkesbury Nepean River

Document Set ID: 8399092

Version: 1, Version Date: 27/09/2018

Section 79C - Evaluation

The development has been assessed in accordance with the matters for consideration under Section 4.15 (formerly Section 79C) of the *Environmental Planning and Assessment Act 1979*, and having regard to those matters, the following issues have been identified for further consideration.

Section 79C(1)(a)(i) The provisions of any environmental planning instrument

State Environmental Planning Policy No 64—Advertising and Signage

An assessment has been undertaken of the proposal against the relevant criteria within the *State and Environment Planning Policy No. 64 - Advertising and Signage*.

The proposed sign is consistent with the aims and objectives of SEPP 64. An assessment of the proposal under Schedule 1 has been undertaken below:

Assessment Criteria		Comment	Compliance
1. Character of the area	Is the proposal compatible with the existing or desired future character of the area or locality in which it is proposed to be located?	compatible with the compatible with the scale of the existing or desired the existing building and signage on site and is also consistent with the character of the area.	
	Is the proposal consistent with a particular theme for outdoor advertising in the area or locality?	No. There is no apparent advertising theme within the area.	N/A
2. Special areas	Does the proposal detract from the amenity or visual quality of any environmentally sensitive areas, heritage areas, natural or other conservation areas, open space areas, waterways, rural landscapes or residential areas?	The proposed sign does not detract from any environmentally sensitive areas, and is not located close to residential properties. There are no heritage items or conservation areas in close proximity to the site.	Y
3. Views and vistas	Does the proposal obscure or compromise important views?	The proposed digital sign is to be wall mounted to the existing building and does not compromise important views.	Y
	Does the proposal dominate the skyline and reduce the quality of vistas?	The sign is well below surrounding buildings and will not dominate the skyline or reduce the quality of vistas.	Y
	Does the proposal respect the viewing rights of other advertisers?	The proposed sign does not obscure any other advertising.	Y

Section 79C(1)(b)The likely impacts of the development

Context and Setting:

The proposal conforms to the aims of the LEP in relation to supporting and promoting developments that integrate with the surrounding areas and achieve a balanced environmental, social and economic outcome.

Access, Transport and Traffic:

Access is provided to the site from Endeavour Avenue. The proposed sign will not have an impact on the transport and traffic to, from, and within the site.

Noise and Vibration:

The proposed development is not expected to create an acoustic nuisance during the erection and ongoing use of the sign. The setbacks of the sign are expected to ensure there are minimal impacts.

Site Design:

The design and location of the proposed sign is appropriate for the locality.

Water, Soil, Air and Microclimate:

The proposed sign will have minimal or no impact on water, soil or air quality. Erosion and sediment control measures will be required where appropriate.

Social and Economic Impacts:

The proposed sign will have minimal adverse impacts and will maintain the current social and economic conditions of the site and surrounding area.

Section 79C(1)(c)The suitability of the site for the development

The site is suitable in light of the above assessment. Council can therefore by satisfied that the site is suitable for the development, subject to conditions.

Section 79C(1)(e)The public interest

The proposed development will not generate any significant issues of public interest.

Conclusion

In assessing this proposal against the relevant planning instruments being the State and Environment Planning policy No. 64 - Advertising and Signage, the Penrith Local Environmental Plan 2010, and the Penrith Development Control Plan 2014, the proposal satisfies the aims, objectives and provisions of these policies. It does not contravene any development standards and will not have any significant impacts on the surrounding/immediate natural, social or economic environments.

The site is suitable for the proposed development, the proposal is in the public interest and there is unlikely to be negative impacts arising from the proposed development. Therefore, the application is worthy of support, subject to the recommended conditions.

Recommendation

That DA18/0884 for the replacement of an existing sign at 4 Endeavour Avenue, St Clair be approved subject to the attached conditions.

General

1 A001

The development must be implemented substantially in accordance with following stamped approved plans issued by Council, the application form, and any supporting information received with the application, except as may be amended in red on the approved plans and by the following conditions.

Description	Reference	Prepared By	Date
Site and Signage Location	1 of 2	KDC	21/8/2018
Plan			
Signage Detail Plan	2 of 2	KDC	21/8/2018
Statement of	-	KDC	21/8/2018
Environmental Effects			
Waste Management Plan	-	KDC	21/8/2018

2 A039 - Graffiti

The finishes of the approved sign are to be maintained at all times and any graffiti or vandalism immediately removed/repaired.

3 A Special (BLANK)

The sign shall be erected in accordance with the manufacturer's or engineer's specifications and relevant Australian standards. Any installation fixtures associated with the sign or internal illumination shall by wholly contained within the body of the unit and not be visible from the public domain.

4 A Special (BLANK)

Erection of the sign shall not unduly reduce or compromise the structural integrity of the existing building.

5 A Special (BLANK)

The sign's ambient light sensor adjusting the level of brightness of the screen shall be operational at all times. The sign must not flash or have any moving components, and shall comply with AS 4282 - 1997, Control of the obtrusive effects of outdoor lighting.

6 A Special (BLANK)

The approved sign shall only promote products and services related to the authorised use of the site.

Environmental Matters

7 D009 - Covering of waste storage area

All waste materials stored onsite are to be contained within a designated area such as a waste bay or bin to ensure that no waste materials are allowed to enter the stormwater system or neighbouring properties. The designated waste storage areas shall provide at least two waste bays / bins so as to allow for the separation of wastes, and the areas are to be fully enclosed when the site is unattended.

BCA Issues

8 E001 - BCA compliance

All aspects of the sign shall comply with the applicable performance requirements of the Building Code of Australia so as to achieve and maintain acceptable standards of structural sufficiency, safety (including fire safety), health and amenity for the on-going benefit of the community. Compliance with the performance requirements can only be achieved by:

- (a) complying with the deemed to satisfy provisions, or
- (b) formulating an alternative solution which:
- · complies with the performance requirements, or
- is shown to be at least equivalent to the deemed to satisfy provision, or
- (c) a combination of (a) and (b).

Construction

9 H041 - Hours of work (other devt)

Construction works or subdivision works that are carried out in accordance with an approved consent that involve the use of heavy vehicles, heavy machinery and other equipment likely to cause offence to adjoining properties shall be restricted to the following hours in accordance with the NSW Environment Protection Authority Noise Control Guidelines:

- Mondays to Fridays, 7am to 6pm
- Saturdays, 7am to 1pm if inaudible on neighbouring residential premises, otherwise 8am to 1pm
- No work is permitted on Sundays and Public Holidays.

Other construction works carried out inside a building/tenancy and that do not involve the use of equipment that emits noise are not restricted to the construction hours stated above.

The provisions of the Protection of the Environment Operations Act, 1997 inregulating offensive noise also apply to all construction works.
