

Waste Management Plan

Proposal: Signage replacement at existing 7-Eleven Service Station

Address of Development: 4 Endeavour Avenue, St Clair, NSW 2759

Demolition Stage

It is proposed to remove the existing scrolling posterboard in its entirety and dispose of at an appropriate waste facility.

Materials on Site		Destination		
Type of waste generated	Estimates Volume in m ³ or area m ² or weight in tonne 9(t)	Reuse and Recycling		Disposal
		On-Site	Off-Site	
Excavation Material	N/A	N/A	N/A	N/A
Plastic	<1m ³	N/A	waste facility	waste facility
Metal	<1m ³	N/A	waste facility	waste facility
Miscellaneous	<1m ³	N/A	waste facility	waste facility

Notes

1. Details of the exact quantities to be confirmed upon detailed site investigation during Construction Certificate process.

Construction Stage

The sign will be installed on site in accordance with manufacturers requirements. All cabling will be hidden behind the screen and not visible from the externals. No significant waste is expected from the installation of the digital screen.

Operation Stage

The 7-Eleven operation will continue to operate under the existing Plan of Management in relation to operational waste disposal (unchanged under this application).
