Dear Madam/Sir,

Modification of Development Consent - Section 96(1A) | DA14/1181 & DA14/1182 - Thornton Central

This letter has been prepared to guide the lodgement of the above Section 96(1A) application. This application comprises the modification to two development consents at Thornton North, Penrith (DA14/1181 (DA01) and DA14/1182 (DA02)). Both consents apply to the same site and were originally lodged, assessed and determined concurrently.

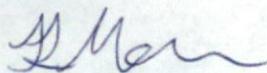

This Section 96(1A) application includes the following:

- Statement of Environmental Effects (SEE) - referring to both DA01 and DA02, with clear reference to the modifications to each consent.
- Architectural Drawings (modified) for DA01 and DA02.
- Updated Waste Management Plan prepared Elephants Foot for DA01 and DA02 and correspondence from Penrith City Council.
- Correspondence from Penrith City Council regarding stormwater matters.
- Two separate Section 96 forms for DA01 and DA02, including owners consent.
- Two separate cheques made payable to Penrith City Council for \$645.00 at the advice of Council customer service.
- Two CDs containing the full application.

Can I please request for the application receipt to be scanned and emailed to:
rmacindoe@urbis.com.au.

If you have any queries regarding this application please call the undersigned on 02 8233 7631.

Yours sincerely,

Ryan Macindoe
Consultant
