

13 June 2014

Penrith City Council  
PO BOX 60  
Penrith NSW 2750

**Owner's Consent to Lodge Application – Thornton, DP No. 1171491**

Landcom (now trading as UrbanGrowth NSW) is the registered owner of the lots listed below at Thornton.

I am duly authorised to grant owner's consent on behalf of Landcom and accordingly hereby confirm consent to the lodging development applications and construction certificate applications for the following lots:

| Builder          | Lots                                                                                                                                                                                                                                                                                                              |
