PRE-COMPLIANCE NOTIFICATION FOR
TELECOMMUNICATIONS INFRASTRUCTURE PROVISIONING

ROMAN TELECOMMUNICATION SERVICES PTY LTD confirms that telecommunication provisioning is present outside the proposed subdivision and provision will be available for this development at:

LOT NUMBER	PLAN NUMBER
1 & 2 part of 1160	part of Dp 1171491
ADDRESS & DEVELOPMENT NAME	
Lot 1160, 19 Sydney Smith Drive PENRITH	

This certificate has been issued for this development only.

Further telecommunication work may still be required on the public verge to connect to the carriers network. These works will be carried out at the carriers sole discretion.

All work carried out at this development will meet the requirements of applicable laws set by the governing body under:

AS/ACIF S008:2006 – requirements for customer cabling.

ACIF C524:2006 – external telecommunication networks.

AS/NZS 2032:2006 - -installation of PVC pipe system.

AS/ACIF S009:2006 – installation requirements for cabling.

For further information, please feel to contact me on 0418 160 940

Yours Sincerely

Roman Janev
