Statement of Environmental Effects

The proposed replacement off barriers by planter boxes (site located at shop 55A, 585 High St, Penrith NSW 2750)

The proposal incorporates to removal of 10 barriers, replace with 10 planter boxes. The work is non-building work. It will be just simply taking barriers off and putting planter boxes in.

All plant and fertilizer will be already put in the planter boxes, before taking to the site. So It will not leave a mess around the site. The van will be used to carry planter boxes to the site and take away barriers. The van will be parked in loading dock of Westfield shopping center while in work.
